# Izu Peninsula 2 Days Trip

The Izu Peninsula is a resort area popular for its hot springs, beautiful coastlines, beaches, mild climate and a scenic mountainous interior. Located about 150 kilometers southwest of Tokyo, its proximity to the city makes the peninsula a popular weekend getaway. Located on a shoreside overlooking the Pacific Ocean, these hotels offer a magnificent ocean view. Also, in some hotels you can reserve a private hot spring open air bath with your family for an additional fee if you would like.
